

VIRGINIA ACTS OF ASSEMBLY -- 2022 SESSION

CHAPTER 342

An Act to amend the Code of Virginia by adding in Article 1 of Chapter 5 of Title 32.1 a section numbered 32.1-137.09, relating to hospital emergency department CPT code data reporting.

[H 910]

Approved April 11, 2022

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 1 of Chapter 5 of Title 32.1 a section numbered 32.1-137.09 as follows:

§ 32.1-137.09. Hospital emergency department CPT code data reporting.

A. Every hospital in the Commonwealth that includes an emergency department shall report quarterly to the Department, for the preceding quarter, (i) the total number of visits to the hospital's emergency department, by location, and (ii) the total number of visits to the hospital's emergency department by emergency department evaluation and management (E/M) Physicians' Current Procedural Terminology (CPT) code.

B. The Department shall annually publish a report setting forth the average number of hospital emergency department visits by location and by emergency department E/M CPT code statewide and by region for each month.

C. The Department may enter into a contract or agreement with the nonprofit organization with which the Department has entered into a contract or agreement pursuant to § 32.1-276.4 for the compilation, storage, analysis, and evaluation of data required to be submitted pursuant to this section.
