A BILL to amend and reenact § 58.1-3321 of the Code of Virginia, relating to real property taxes; notice of proposed increase.

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3321 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3321. Effect on rate when assessment results in tax increase; public hearings; referendum.

A. When any annual assessment, biennial assessment, or general reassessment of real property by a county, city, or town would result in an increase of one percent or more in the total real property tax levied, such county, city, or town shall reduce its rate of levy for the forthcoming tax year so as to cause such rate of levy to produce no more than 101 percent of the previous year's real property tax levies, unless subsection B is complied with, which rate shall be determined by multiplying the previous year's total real property tax levies by 101 percent and dividing the product by the forthcoming tax year's total real property assessed value. An additional assessment or reassessment due to the construction of new or other improvements, including those improvements and changes set forth in § 58.1-3285, to the property shall not be an annual assessment or general reassessment within the meaning of this section, nor shall the assessed value of such improvements be included in calculating the new tax levy for purposes of this section. Special levies shall not be included in any calculations provided for under this section.

B. The governing body of a county, city, or town may, after conducting a public hearing, which shall not be held at the same time as the annual budget hearing, increase the rate above the reduced rate required in subsection A if any such increase is deemed to be necessary by such governing body.

C. Notice of ~~the~~ any public hearing held pursuant to this section shall be given at least 30 days before the date of such hearing by the publication of a notice in (i) at least one newspaper of general circulation in such county or city and (ii) a prominent public location at which notices are regularly posted in the building where the governing body of the county, city, or town regularly conducts its business, except that such notice shall be given at least 14 days before the date of such hearing in any year in which neither a general appropriation act nor amendments to a general appropriation act providing appropriations for the immediately following fiscal year have been enacted by April 30 of such year. *Additionally, in a county, city, or town that conducts its reassessment more than once every four years, the notice for any public hearing held pursuant to this section shall be published on a different day and in a different notice from any notice published for the annual budget hearing.* Any such notice shall be at least the size of one-eighth page of a standard size or a tabloid size newspaper, and the headline in the advertisement shall be in a type no smaller than 18-point. The notice described in clause (i) shall not be placed in that portion, if any, of the newspaper reserved for legal notices and classified advertisements.
