§ 58.1-602. Definitions.

As used in this chapter, unless the context clearly shows otherwise:

"Accommodations fee" means the room charge less the discount room charge, if any, provided that the accommodations fee shall not be less than \$0.

"Accommodations intermediary" means any person other than an accommodations provider that facilitates the sale of an accommodation, charges a room charge to the customer, and charges an accommodations fee to the customer, which fee it retains as compensation for facilitating the sale. For purposes of this definition, "facilitates the sale" includes brokering, coordinating, or in any other way arranging for the purchase of the right to use accommodations via a transaction directly, including via one or more payment processors, between a customer and an accommodations provider.

"Accommodations intermediary" does not include a person:

2. Who facilitates the sale of an accommodation if (i) the price paid by the customer to such person is equal to the price paid by such person to the accommodations provider for the use of the accommodations and (ii) the only compensation received by such person for facilitating the sale of the accommodation is a commission paid from the accommodations provider to such person.

The combining of two or more prewritten programs does not constitute a custom computer program. 72 Internal Revenue Code if the excise tax is billed to the purchaser separately from the selling price of the
73 article, or the Virginia retail sales or use tax, or any sales or use tax imposed by any county or city
74 under § 58.1-605 or 58.1-606.

All sales for resale must be made in strict compliance with regulations applicable to this chapter. Any dealer making a sale for resale which is not in strict compliance with such regulations shall be personally liable for payment of the tax.

The terms "retail sale" and a "sale at retail" specifically include the following: (i) the sale or charges for any accommodations furnished to transients for less than 90 continuous days; (ii) sales of tangible personal property to persons for resale when because of the operation of the business, or its very nature, or the lack of a place of business in which to display a certificate of registration, or the lack of a place of business in which to keep records, or the lack of adequate records, or because such persons are minors or transients, or because such persons are engaged in essentially service businesses, or for any other reason there is likelihood that the Commonwealth will lose tax funds due to the difficulty of policing such business operations; (iii) the separately stated charge made for automotive refinish repair materials that are permanently applied to or affixed to a motor vehicle during its repair; and (iv) the separately stated charge for equipment available for lease or purchase by a provider of satellite television programming to the customer of such programming. The terms "retail sale" and a "sale at retail" also specifically include the separately stated charge made for supplies used during automotive repairs whether or not there is transfer of title or possession of the supplies and whether or not the supplies are attached to the automobile. The purchase of such supplies by an automotive repairer for sale to the customer of such repair services shall be deemed a sale for resale.

182 The term "transient" does not include a purchaser of camping memberships, time-shares,
183 condominiums, or other similar contracts or interests that permit the use of, or constitute an interest in,
184 real estate, however created or sold and whether registered with the Commonwealth or not. Further, a
185 purchaser of a right or license which entitles the purchaser to use the amenities and facilities of a
186 specific real estate project on an ongoing basis throughout its term shall not be deemed a transient,
187 provided, however, that the term or time period involved is for seven years or more.

188 The terms "retail sale" and "sale at retail" do not include a transfer of title to tangible personal
189 property after its use as tools, tooling, machinery or equipment, including dies, molds, and patterns, if (i)

202 property for consumers who furnish, either directly or indirectly, the materials used in fabrication, and
203 the furnishing, preparing, or serving for a consideration of any tangible personal property consumed on
204 the premises of the person furnishing, preparing, or serving such tangible personal property. A
205 transaction whereby the possession of property is transferred but the seller retains title as security for the
206 payment of the price shall be deemed a sale.

207 "Sales price" means the total amount for which tangible personal property or services are sold,
208 including any services that are a part of the sale, valued in money, whether paid in money or otherwise,
209 and includes any amount for which credit is given to the purchaser, consumer, or lessee by the dealer,
210 without any deduction therefrom on account of the cost of the property sold, the cost of materials used,
211 labor or service costs, losses or any other expenses whatsoever. "Sales price" does not include (i) any
212 cash discount allowed and taken; (ii) finance charges, carrying charges, service charges or interest from
213 credit extended on sales of tangible personal property under conditional sale contracts or other
214 conditional contracts providing for deferred payments of the purchase price; (iii) separately stated local

217 gratuity or service charge added by a restaurant to the price of a meal, but only to the extent that such
218 mandatory gratuity or service charge does not exceed 20 percent of the price of the meal. Where used
219 articles are taken in trade, or in a series of trades as a credit or part payment on the sale of new or used
220 articles, the tax levied by this chapter shall be paid on the net difference between the sales price of the
221 new or used articles and the credit for the used articles.

222 "Semiconductor cleanrooms" means the integrated systems, fixtures, piping, partitions, flooring,
223 lighting, equipment, and all other property used to reduce contamination or to control airflow,
224 temperature, humidity, vibration, or other environmental conditions required for the integrated process of
225 semiconductor manufacturing.

226 "Semiconductor equipment" means (i) machinery or tools or repair parts or replacements thereof; (ii)

234 takes place, how the activity affects the operation of equipment, or whether the equipment and supplies
235 come into contact with the product.

236 "Storage" means any keeping or retention of tangible personal property for use, consumption or

In addition to the sales tax authorized under § 58.1-605, a ~~qualifying locality~~ *any county or city* may levy a general retail sales tax at a rate not to exceed one percent as determined by its governing body to provide revenue solely for capital projects for the construction or renovation of schools in each such ~~locality~~ *county or city*. Such tax shall be added to the rates of the state and local sales tax imposed by this chapter and shall be subject to all the provisions of this chapter and the rules and regulations published with respect thereto. No discount under § 58.1-622 shall be allowed on this local sales tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subdivision B 1. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subdivision B 1.

B. 1. This tax may be levied only if the tax is approved in a referendum within the ~~qualifying locality~~ *county or city* held in accordance with § 24.2-684 and initiated by a resolution of the local governing body. Such resolution shall state (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, a specified date on which the sales tax shall expire.

2. The clerk of the circuit court shall publish notice of the referendum in a newspaper of general circulation in the ~~qualifying locality~~ *county or city* once a week for three consecutive weeks prior to the election. The question on the ballot for the referendum shall include language stating (i) that the revenues from the sales tax shall be used solely for capital projects for the construction or renovation of schools and (ii) the date on which the sales tax shall expire.

C. The governing body of the ~~qualifying locality~~ *county or city*, if it elects to impose a local sales tax under this section after approval at a referendum as provided in subsection B shall do so by the adoption of an ordinance stating its purpose and referring to this section and providing that such ordinance shall be effective on the first day of a month at least 120 days after its adoption. Such ordinance shall state the date on which the sales tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

D. Any local sales tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same exemptions and penalties as provided for the state sales tax; however, the local sales tax levied under this section shall not be levied on food purchased for human consumption or essential personal hygiene products, as such terms are defined in § 58.1-611.1.

E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund that is hereby created on the Comptroller's books for each ~~qualifying locality~~ *county or city* under the name "Collections of Additional Local Sales Taxes in ____ (INSERT NAME OF THE QUALIFYING LOCALITY COUNTY OR CITY)." Each fund shall

305 be administered as provided in § 58.1-605. A separate fund shall be created for each ~~qualifying locality~~
306 ~~county or city~~. Only local sales tax moneys collected in that ~~qualifying locality county or city~~ shall be
307 deposited in that ~~locality's county's or city's~~ fund.

308 F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in
309 any month for the preceding month, the Comptroller shall draw his warrant on the State Treasurer in the
310 proper amount in favor of each ~~qualifying locality county or city~~, and such payments shall be charged to
311 the account of the ~~qualifying locality county or city~~ under its special fund created by this section. If
312 errors are made in any such payment, or adjustments are otherwise necessary, whether attributable to
313 refunds to taxpayers or to some other fact, the errors shall be corrected and adjustments made in the
314 payments for the next two months as follows: one-half of the total adjustment shall be included in the
315 payment for each of the next two months. In addition, the payment shall include a refund of amounts
316 erroneously not paid to each ~~qualifying locality county or city~~ and not previously refunded during the
317 three years preceding the discovery of the error. A correction and adjustment in payments described in
318 this subsection due to the misallocation of funds by the dealer shall be made within three years of the
319 date of the payment error.

320 G. The revenues from this tax shall be used solely for capital projects for new construction or major
321 renovation of schools in the ~~qualifying locality county or city~~, including bond and loan financing costs
322 related to such construction or renovation.

323 **§ 58.1-606.1. Additional local use tax; use of revenues for construction or renovation of schools.**

324 A. 1. The governing body of a ~~qualifying locality county or city~~ may levy a use tax at the rate of
325 such sales tax under § 58.1-605.1 to provide revenue for capital projects for the construction or
326 renovation of schools in such ~~locality county or city~~. Such tax shall be added to the rates of the state and
327 local use tax imposed by this chapter and shall be subject to all the provisions of this chapter, and all
328 amendments thereof, and the rules and regulations published with respect thereto, except that no
329 discount under § 58.1-622 shall be allowed on a local use tax.

330 2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction
331 or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans
332 shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be
333 financed by bonds or loans, on a date chosen by the governing body and specified in any resolution
334 passed pursuant to the provisions of subsection B. Such expiration date shall not be more than 20 years
335 after the date of the resolution passed pursuant to the provisions of subsection B.

336 B. The governing body of the ~~qualifying locality county or city~~, if it elects to impose a local use tax
337 under this section may do so only if it has previously imposed the local sales tax authorized by
338 § 58.1-605.1, by the adoption of an ordinance stating its purpose and referring to this section and
339 providing that the local use tax shall become effective on the first day of a month at least 120 days after
340 its adoption. Such ordinance shall state the date on which the use tax shall expire. A certified copy of
341 such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days
342 after its adoption.

343 C. Any local use tax levied under this section shall be administered and collected by the Tax
344 Commissioner in the same manner and subject to the same exemptions and penalties as provided for the
345 state use tax; however, the local use tax levied under this section shall not be levied on food purchased
346 for human consumption or essential personal hygiene products, as such terms are defined in
347 § 58.1-611.1.

348 D. The local use tax authorized by this section shall not apply to transactions to which the sales tax
349 applies, the situs of which for state and local sales tax purposes is the ~~locality county or city~~ of location
350 of each place of business of every dealer paying the tax to the Commonwealth without regard to the
351 ~~locality county or city~~ of possible use by the purchasers. However, the local use tax authorized by this
352 section shall apply to tangible personal property purchased outside the Commonwealth for use or
353 consumption within the ~~locality county or city~~ imposing the local use tax, or stored within the ~~locality~~
354 ~~county or city~~ for use or consumption, where the property would have been subject to the sales tax if it
355 had been purchased within the Commonwealth. The local use tax shall also apply to leases or rentals of
356 tangible personal property where the place of business of the lessor is outside the Commonwealth and
357 such leases or rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in
358 which the state use tax applies.

359 E. Out-of-state dealers who hold certificates of registration to collect the use tax from their customers
360 for remittance to the Commonwealth shall, to the extent reasonably practicable, in filing their monthly
361 use tax returns with the Tax Commissioner, break down their shipments into the Commonwealth by
362 counties and cities so as to show the county or city of destination. If, however, the out-of-state dealer is
363 unable accurately to assign any shipment to a particular county or city, the local use tax on the tangible
364 personal property involved shall be remitted to the Commonwealth by such dealer without attempting to
365 assign the shipment to any county or city.

366 F. Local use tax revenue shall be deposited in the special fund established pursuant to subsection E

367 of § 58.1-605.1. The Comptroller shall distribute the revenue to the ~~qualifying locality~~ *county or city*.
368 G. All revenue from this local use tax revenue shall be used solely for capital projects for new
369 construction or major renovation of schools in the ~~qualifying locality~~ *county or city*, including bond and
370 loan financing costs related to such construction or renovation.
