§ 22.1-79. Powers and duties.

A school board shall:

1. See that the school laws are properly explained, enforced and observed;

3. Care for, manage and control the property of the school division and provide for the erecting, furnishing, equipping, and noninstructional operating of necessary school buildings and appurtenances and the maintenance thereof by purchase, lease, or other contracts;
4. Provide for the consolidation of schools or redistricting of school boundaries or adopt pupil assignment plans whenever such procedure will contribute to the efficiency of the school division;
5. Insofar as not inconsistent with state statutes and regulations of the Board of Education, operate and maintain the public schools in the school division and determine the length of the school term, the studies to be pursued, the methods of teaching and the government to be employed in the schools;
6. In instances in which no grievance procedure has been adopted prior to January 1, 1991, establish and administer by July 1, 1992, a grievance procedure for all school board employees, except the division superintendent and those employees covered under the provisions of Article 2 (§ 22.1-293 et seq.) and Article 3 (§ 22.1-306 et seq.) of Chapter 15 of this title, who have completed such probationary period as may be required by the school board, not to exceed 18 months. The grievance procedure shall afford a timely and fair method of the resolution of disputes arising between the school board and such employees regarding before dismissal or other disciplinary actions, excluding suspensions, and shall be consistent with the provisions of the Board of Education's Board's procedures for adjusting grievances. Except in the case of dismissal, suspension, or other disciplinary action, the grievance procedure prescribed by the Board of Education pursuant to § 22.1-308 shall apply to all full-time employees of a school board, except supervisory employees;

Such public hearing may be held at the same time and place as the meeting of the school board at which the proposed action is taken if the public hearing is held before the action is taken. If a public hearing has been held prior to the effective date of this provision on a proposed consolidation, redistricting or pupil assignment plan which is to be implemented after the effective date of this provision, an additional public hearing shall not be required;
