9 A. Notwithstanding the requirements of Chapter 34 (§ 15.2-3400 et seq.) of this title, the member  
10 localities may agree to a revenue and economic growth-sharing arrangement with respect to tax revenues  
11 and other income and revenues generated by any facility owned by *an authority or a facility owned by a*

15 cooperation for economic and workforce development authorized by law. The obligations of the parties

20 B. With any such revenue and economic growth-sharing arrangement entered into by localities, the

23 revenue is initially paid to one locality and redistributed to another locality. Such calculation shall  
24 properly apportion the percentage of tax revenue ultimately received by each locality. Each participating  
25 locality shall include in reports to the Department of Taxation of its taxable real estate the apportioned

27 Taxation shall collect annually, from each participating locality, the taxable real estate value used to  
28 determine and apportion the fair market value of the property adjustments upon which such revenue  
29 sharing is based.
