All proceedings pursuant to this section shall be conducted as an action at law before the court, sitting without a jury. The county or city attorney, or, if none, the attorney for the Commonwealth, shall defend the ~~application~~ *locality in any such proceedings.*

Prior to the release of any information that constitutes confidential tax information under § 58.1-3, pursuant to discovery or otherwise, for the purposes of a proceeding under this section, the court shall, no later than the issuance of the scheduling order, make the following order:

"Unless otherwise ordered by the court, no entity or person who has obtained confidential information protected by § 58.1-3 of the Code of Virginia regarding [property reference], directly or indirectly through any party to this action, shall disclose, exhibit, or discuss the confidential information except as provided herein. Confidential information protected by § 58.1-3 may be revealed to or discussed only with the following persons in connection with the review or litigation of the assessment of the above-referenced property:

60 Once the above-referenced order is entered, § 58.1-3 shall not be applicable to prevent the release of  
61 any relevant information that is responsive to a request for discovery made in the course of an appeal  
62 pursuant to this section.

63 B. In circuit court proceedings to seek relief from real property taxes, there shall be a presumption  
64 that the valuation determined by the assessor or as adjusted by the board of equalization is correct. The  
65 burden of proof shall be on the taxpayer to rebut such presumption and show by a preponderance of the  
66 evidence that the property in question is ~~valued~~ *was assessed* at more *or less* than its fair market value  
67 or that the assessment is not uniform in its application, and that it was not arrived at in accordance with  
68 generally accepted appraisal practices, procedures, rules, and standards as prescribed by nationally  
69 recognized professional appraisal organizations such as the International Association of Assessing  
70 Officers (IAAO) and applicable Virginia law relating to valuation of property. Mistakes of fact,  
71 including computation, that affect the assessment shall be deemed not to be in accordance with generally  
72 accepted appraisal practice.

73 However, in any appeal of the assessment of residential property filed by a taxpayer as an owner of  
74 real property containing less than four residential units, the assessing officer shall give the required  
75 written notice to the taxpayer, or his duly authorized representative, under subsection E of § 58.1-3331,  
76 and, upon written request, shall provide the taxpayer or his duly authorized representative copies of the  
77 assessment records set out in subsections A, B, and C of § 58.1-3331 pertaining to the assessing officer's  
78 determination of fair market value of the property under appeal. A written request by the taxpayer or his  
79 duly authorized representative shall be made following the filing of the appeal to circuit court and no  
80 later than 45 days prior to trial, unless otherwise provided by an order of the court before which the  
81 appeal is pending. Provided the written request is made in accordance with this section or any applicable  
82 court order, the assessing officer shall provide such records within 15 days of the written request to the  
83 taxpayer or his duly authorized representative. If the assessing officer fails to do so, the assessing officer  
84 shall present the following into evidence prior to the presentation of evidence by the taxpayer at the  
85 hearing: (i) copies of the assessment records maintained by the assessing officer under § 58.1-3331, (ii)  
86 testimony that explains the methodologies employed by the assessing officer to determine the assessed  
87 value of the property, and (iii) testimony that states that the assessed value was arrived at in accordance  
88 with generally accepted appraisal practices, procedures, rules, and standards as prescribed by nationally  
89 recognized professional appraisal organizations such as the International Association of Assessing  
90 Officers (IAAO) and applicable Virginia law relating to valuation of property. Upon the conclusion of  
91 the presentation of the evidence of the assessing officer, the taxpayer shall have the burden of proof by  
92 a preponderance of the evidence to rebut such evidence presented by the assessing officer as otherwise  
93 provided in this section.

94 C. The presumptions, burdens, and standards set out in subsection B shall not be construed to change  
95 or have any effect upon the presumptions, burdens, and standards applicable to applications for the  
96 correction of erroneous assessments of any local tax other than real property taxes.

97 D. In the event it comes or is brought to the attention of the commissioner of the revenue *or other*  
98 *assessing official* of the locality that the assessment of any tax is improper or is based on obvious error  
99 and should be corrected in order that the ends of justice may be served, and he is not able to correct it  
100 under § 58.1-3981, the commissioner of the revenue *or other assessing official* shall apply to the  
101 appropriate court, in the manner herein provided for relief of the taxpayer. Such application may include  
102 a petition for relief for any of several taxpayers.
