61 employees, and (iii) include a reevaluation process that individuals making proposals may access if their
62 proposals are rejected by the evaluating agency. The reevaluation process must include individuals from
63 the private sector. State employees who make a suggestion or proposal under this section shall receive
64 initial confirmation of receipt within 30 days. A determination of the feasibility of the suggestion or

72 acceptable use policy for the Internet. At a minimum, the Department's acceptable use policy shall
73 contain provisions that (i) prohibit use by state employees of the Commonwealth's computer equipment
74 and communications services for sending, receiving, viewing, or downloading illegal material via the
75 Internet and (ii) establish strict disciplinary measures for violation of the acceptable use policy. An
76 agency head may supplement the Department's acceptable use policy with such other terms, conditions,
77 and requirements as he deems appropriate. The Director of the Department shall have the final authority
78 to establish and interpret personnel policies and procedures and shall have the authority to ensure full
79 compliance with such policies. However, unless specifically authorized by law, the Director of the

91 any way to the employee.

92 ~~14b.~~ 15. Develop state personnel policies that provide break time for nursing mothers to express
93 breast milk. Such policies shall require an agency to provide (i) a reasonable break time for an
94 employee to express breast milk for her nursing child after the child's birth each time such employee has
95 need to express the breast milk and (ii) a place, other than a bathroom, that is shielded from view and
96 free from intrusion from coworkers and the public and that may be used by an employee to express
97 breast milk. Such break time shall, if possible, run concurrently with any break time already provided to
98 the employee. An agency shall not be required to compensate an employee receiving reasonable break
99 time for any work time spent for such purpose. For purposes of this subdivision, "reasonable," with
100 regard to break time provided for nursing mothers to express breast milk, means a break time that
101 complies with the guidance for employers in assessing the frequency and timing of breaks to express
102 breast milk set forth in the U.S. Department of Labor's Request for Information RIN 1235-ZA00, 75

107 by the Commonwealth. The publication shall contain the net gain or loss to the agency in personnel
108 from the previous fiscal year and the net gains and losses in personnel for each agency for a three-year
109 period.

110 ~~16.~~ 17. Submit a report to the members of the General Assembly on or before September 30 of each
111 year showing (i) the total number of full-time and part-time employees, (ii) contract temporary
112 employees, (iii) hourly temporary employees, and (iv) the number of employees who voluntarily and

119 supplement salaried and wage employees of state agencies. Such processes shall be consistent with the
120 Virginia Public Procurement Act (§ 2.2-4300 et seq.). The Department may perform contract

administration duties and responsibilities for any resulting statewide augmentation contracts.

19. 20. In coordination with the Secretary of Health and Human Resources or his designee, develop an online training module addressing safety and disaster awareness, which shall be incorporated into existing mandatory training.

B. The Director may convene such ad hoc working groups as the Director deems appropriate to address issues regarding the state workforce.

§ 2.2-1212. Required online safety and disaster awareness training.

All state employees shall annually complete an online safety and disaster awareness training module that includes information on public health safety provided by the Department pursuant to subdivision A 19. 20 of § 2.2-1201. The Board is authorized to purchase long-term disability insurance policies for participating employees. The policies shall be purchased from and carried with a disability insurance company which is authorized to do business in the Commonwealth. Each policy shall contain a provision stipulating the maximum expense and risk charges that are determined by the Board to be on a basis consistent with the general level of charges made by disability insurance companies under policies of long-term disability insurance issued to large employers. The Board may require that the policies have reinsurance with a disability insurance company incorporated or organized under the laws of and authorized to do business in the Commonwealth. This section is not intended to abrogate the final authority of the Director of the Department of Human Resource Management under ~~subdivision~~ subdivisions A 14 and 15 of § 2.2-1201 to establish and interpret personnel policy and procedures, such as the sick leave policy.

B. Notwithstanding the provisions of subsection A, the Board may self-insure long-term disability benefits in accordance with the standards set forth in § 51.1-124.30.

2. That § 2.2-1211 of the Code of Virginia is repealed.
