63 **accuracy; when ballots printed; number required.**

64 Immediately after the expiration of the time provided by law for a candidate for any office to qualify  
65 to have his name printed on the official ballot and prior to printing the ballots for an election, each  
66 general registrar shall forward to the Department of Elections a list of the county, city, or town offices  
67 to be filled at the election and the names of all candidates who have filed for each office. In addition,  
68 each general registrar shall forward the name of any candidate who failed to qualify with the reason for  
69 his disqualification. On that same day, the general registrar shall also provide a copy of the notice to  
70 each disqualified candidate. The notice shall be sent by email or regular mail to the address on the  
71 candidate's certificate of candidate qualification, and such notice shall be deemed sufficient. The  
72 Department of Elections shall promptly advise the general registrar of the accuracy of the list. The  
73 failure of any general registrar to send the list to the Department of Elections for verification shall not  
74 invalidate any election.

75 Each general registrar shall have printed the number of ballots he determines will be sufficient to  
76 conduct the election. Such determination shall be based on the number of active registered voters and  
77 historical election data, including voter turnout, and shall be subject to the approval by the electoral  
78 board.

79 Notwithstanding any other provisions of this title, the Department of Elections may print or otherwise  
80 provide one statewide paper ballot style for each paper ballot style in use for presidential and  
81 vice-presidential electors for use only by persons eligible to vote for those offices only under § 24.2-402  
82 or only for federal elections under § 24.2-453. The Department of Elections may apportion or authorize  
83 the printer or vendor to apportion the costs for these ballots among the localities based on the number of  
84 ballots ordered. Any printer employed by the Department of Elections shall execute the statement  
85 required by § 24.2-616. The Department of Elections shall designate a representative to be present at the  
86 printing of such ballots and deliver them to the appropriate general registrars pursuant to § 24.2-617.  
87 Upon receipt of such paper ballots, the electoral board or the general registrar shall affix the seal of the  
88 electoral board. Thereafter, such ballots shall be handled and accounted for, and the votes counted as the  
89 Department of Elections shall specifically direct.

90 The general registrar shall make printed ballots available for absentee voting not later than 45 days  
91 prior to any election or within three business days of the receipt of a properly completed absentee ballot  
92 application, whichever is later. In the case of a special election, excluding for federal offices, if time is  
93 insufficient to meet the applicable deadline established herein, then the general registrar shall make  
94 printed ballots available as soon after the deadline as possible. For the purposes of this chapter, making  
95 printed ballots available includes mailing of such ballots or electronic transmission of such ballots  
96 pursuant to § 24.2-706 to a covered voter, as defined in ~~§ 24.2-452, who has applied for an absentee~~  
97 ~~ballot pursuant to § 24.2-701~~ a qualified absentee voter who is eligible for an absentee ballot under  
98 subdivision A 2 of § 24.2-700. Not later than five days after absentee ballots are made available, each  
99 general registrar shall report to the Department of Elections, in writing on a form approved by the  
100 Department of Elections, whether he has complied with the applicable deadline.

101 Only the names of candidates for offices to be voted on in a particular election district shall be  
102 printed on the ballots for that election district.

103 The general registrar shall send to the Department of Elections a statement of the number of ballots  
104 ordered to be printed, proofs of each printed ballot for verification, and copies of each final ballot. If the  
105 Department of Elections finds that, in its opinion, the number of ballots ordered to be printed by any  
106 general registrar is not sufficient, it may direct the general registrar to order the printing of a reasonable  
107 number of additional ballots.

In such case, the voter may request a replacement absentee ballot by the close of business for the local elections office on the Saturday before election day and designate, in writing, a representative to obtain a replacement absentee ballot on his behalf from the general registrar and to return the properly completed ballot as directed by the general registrar no later than the close of polls on the day of election for which the absentee ballot is valid. The representative shall be age 18 or older and shall not be an elected official, a candidate for elected office, or the deputy, spouse, parent, or child of an elected official or candidate. The voter and representative shall complete the form prescribed by the State Board to implement the provisions of this section. The form shall include a statement signed by the voter that he did not receive the ballot or has lost the ballot. B. The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

C. If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

433 Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to

445 ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank  
446 statement, government check, paycheck or other government document that shows the name and address  
447 of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of  
448 identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as  
449 a provisional ballot under the provisions of § 24.2-653.01. The Department of Elections shall provide

456 The envelopes and instructions shall be in the form prescribed by the Department of Elections.

457 D. The general registrar may contract with a third party for the printing, assembly, and mailing of  
458 the items set forth in subsection C. The general registrar shall provide to the contractor in a timely  
459 manner the names, addresses, precincts, and ballot styles of voters requesting an absentee ballot by mail.  
460 The vendor shall provide to the general registrar a report of the voters to whom the absentee ballot  
461 materials have been sent.

462 E. If the applicant completes his application in person under § 24.2-701 at a time when the printed  
463 ballots for the election are available, he may request that the general registrar send to him by mail the  
464 items set forth in subdivisions C 1 through 4, instead of casting the ballot in person. Such request shall  
465 be made no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers  
466 to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate  
467 or other evidence of mailing.

468 F. If the applicant is a covered voter, as defined in § 24.2-452 states as the reason for his absence

474 electronic transmission, the general registrar, at the time when the printed ballots for the election are  
475 available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the  
476 blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter.  
477 Such materials shall be sent using the official email address or fax number of the office of the general  
478 registrar published on the Department of Elections website. The State Board of Elections may prescribe  
479 by regulation the format of the email address used for transmitting ballots to eligible voters. A general  
480 registrar may also use electronic transmission facilities provided by the Federal Voting Assistance  
481 Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

482 G. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this  
483 section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole
