4. Title: Health care; consent to services and disclosure of records.

5. Summary: Eliminates authority of a minor to consent to medical or health services needed in the case of outpatient care, treatment, or rehabilitation for medical illness or emotional disturbance and the disclosure of medical records related thereto. The bill also provides that an authorization for the disclosure of health records shall remain in effect until such time as it is revoked in writing to the person in possession of the health record subject to the authorization; shall include authorization for the release of all health records of the person created by the health care entity to whom permission to release health records was granted from the date on which the authorization was executed; and shall include authorization for the person named in the authorization to assist the person who is the subject of the health record in accessing health care services, including scheduling appointments for the person who is the subject of the health record and attending appointments together with the person who is the subject of the health record. The bill also provides that every health care provider shall make health records of a patient available to any person designated by a patient in an authorization to release medical records and that a health care provider shall allow a person to make an appointment for medical services on behalf of another person, regardless of whether the other person has executed an authorization to release medical records, provided that such health care provider shall not release protected health information to the person making the appointment for medical services on behalf of another person unless such person has executed an authorization to release medical records to the person making the appointment.
