HB30/SB30, as introduced, includes \$5.0 million in each year from the general fund to establish the new grant program. Additionally, HB30/SB30, as introduced, includes \$88,000 in each year from the general fund and one position to support a grant project coordinator to manage the new program established in this bill, as well as other federal and state grants managed by the department. Therefore, a budget amendment is not necessary.

**9. Specific Agency or Political Subdivisions Affected:** Department of Historic Resources

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** SB158, as introduced, is the companion to this bill.

Budget amendments adopted by the Senate eliminate \$5.0 million in HB30/SB30, as introduced, in FY 2024 to establish the Fund. Budget amendments adopted by the House reduce funding included in HB30/SB30, as introduced, for the Fund by \$2.5 million in each year.
