4. Title: Carrying a firearm or explosive material within Capitol Square and the surrounding area.

5. Summary: Repeals the prohibition on carrying a firearm or explosive material within (i) the Capitol of Virginia; (ii) Capitol Square and the surrounding area; (iii) any building owned or leased by the Commonwealth or any agency thereof; or (iv) any office where employees of the Commonwealth or any agency thereof are regularly present for the purpose of performing their official duties. Current law makes it a Class 1 misdemeanor for any person to carry a firearm or explosive material within these areas, subject to certain exceptions, including the following individuals while acting in the conduct of such person's official duties: any law-enforcement officer, any authorized security personnel, any active military personnel, any fire marshal when such fire marshal has been granted police powers, or any member of a cadet corps while such member is participating in an official ceremonial event for the Commonwealth.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: See Item 8.

8. Fiscal Implications: This bill repeals the Class 1 misdemeanor charge associated with carrying a firearm or explosive material within (i) the Capitol of Virginia; (ii) Capitol Square and the surrounding area; (iii) any building owned or leased by the Commonwealth or any agency thereof; or (iv) any office where employees of the Commonwealth or any agency thereof are regularly present for the purpose of performing their official duties. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both. However, there is not enough information available to reliably estimate the decrease in jail population as a result of this proposal. Any decrease in jail population will reduce costs to the state. The Commonwealth currently pays the localities \$4.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail. It also funds a portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2021), the estimated total state support for local jails averaged \$37.58 per inmate, per day in FY 2020.

9. Specific Agency or Political Subdivisions Affected: Local and regional jails.

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is identical to HB1166 and SB75.
