

## Department of Planning and Budget

### 2022 Fiscal Impact Statement

**1. Bill Number:** HB900

<b>House of Origin</b>	<input checked="" type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
<b>Second House</b>	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input type="checkbox"/> Enrolled

**2. Patron:** Avoli

**3. Committee:** Health, Welfare and Institutions

**4. Title:** Public health emergency; hospital or nursing home; addition of beds.

**5. Summary:** Creates an exemption from the requirement for a certificate of public need or a license for the temporary addition of beds located in a temporary structure or satellite location by a hospital or nursing home in cases in which the Board of Health or the Commissioner of Health (the Commissioner) has entered an emergency order for the purpose of suppressing a nuisance dangerous to public health or a communicable, contagious, or infectious disease or other danger to the public life and health and provides that such exemption shall apply for the duration of the emergency order plus 30 days. The bill also expands the duration of the existing exemption from the requirement for a certificate of public need or a license for the addition of temporary beds when the Commissioner has determined that a natural or man-made disaster has caused the evacuation of a hospital or nursing home and that a public health emergency exists due to a shortage of hospital or nursing home beds to the duration of such determination plus 30 days and makes clear that such exemption shall apply to the temporary addition of beds located in a temporary structure or satellite location by a hospital or nursing home.

**6. Budget Amendment Necessary:** See item 8.

**7. Fiscal Impact Estimates:** See item 8.

**8. Fiscal Implications:** While it is assumed that legislation impacting Virginia's Certificate of Public Need (COPN) law may have fiscal implications for the Department of Medical Assistance Services (DMAS), as one of the largest purchasers of health care services in Virginia, there is insufficient data to provide a definitive estimate of the cost impact of most proposed COPN legislation.

The provisions of this bill would not have a fiscal impact on the Virginia Department of Health.

**9. Specific Agency or Political Subdivisions Affected:** Department of Medical Assistance Services.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** None.
