3. Committee: Passed both Houses.

4. Title: Commissioner of Health; administration and dispensing of necessary drugs and devices.

5. Summary: Allows the Commissioner of Health to authorize persons who are not authorized by law to administer or dispense drugs or devices to do so in accordance with protocols established by the Commissioner when the Board of Health has made an emergency order for the purpose of suppressing nuisances dangerous to the public health and communicable, contagious, and infectious diseases and other dangers to the public life and health. Current law limits the Commissioner's ability to make such authorizations to circumstances when the Governor has declared a disaster or a state of emergency or the United States Secretary of Health and Human Services has issued a declaration of an actual or potential bioterrorism incident or other actual or potential public health emergency.

6. Budget Amendment Necessary: No.

7. No Fiscal Impact.

8. Fiscal Implications: The provisions of this bill would not have a fiscal impact on the Virginia Department of Health.
