

Department of Planning and Budget

2022 Fiscal Impact Statement

1. Bill Number: SB41

House of Origin	<input checked="" type="checkbox"/>	Introduced	<input type="checkbox"/>	Substitute	<input type="checkbox"/>	Engrossed
Second House	<input type="checkbox"/>	In Committee	<input type="checkbox"/>	Substitute	<input type="checkbox"/>	Enrolled

2. Patron: Spruill

3. Committee: Judiciary

4. Title: Larceny of a catalytic converter; penalty.

5. Summary: The proposed legislation establishes that any person who conspires, confederates, or combines with another to commit larceny or counsels, assists, aids, or abets another in the performance of a larceny of a catalytic converter from a motor vehicle where the value of such catalytic converter is less than \$1,000 is guilty of a Class 1 misdemeanor.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary (see Item 8 below).

8. Fiscal Implications: The proposed legislation amends § 18.2-23 (B) to create a Class 1 misdemeanor. Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail and a fine of not more than \$2,500, either or both. However, there is not enough information available to reliably estimate the increase in jail population as a result of this proposal. Nevertheless, any increase in jail population will increase costs to the state. The Commonwealth currently pays the localities \$4.00 a day for each misdemeanant or otherwise local-responsible prisoner held in a jail. It also funds a large portion of the jails' operating costs, e.g. correctional officers. The state's share of these costs varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2021), the estimated total state support for local jails averaged \$37.58 per inmate, per day in FY 2020.

9. Specific Agency or Political Subdivisions Affected: Law enforcement agencies; Commonwealth Attorneys; local jails.

10. Technical Amendment Necessary: No.

11. Other Comments: This bill is identical to HB554.
