356 long as he does not participate in the proceedings and does not impede the orderly conduct of the
357 determination. Each authorized representative shall be a qualified voter of any jurisdiction of the
358 Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to
359 the electoral board a written statement designating him to be a representative of the party or candidate
360 and signed by the county or city chairman of his political party, the independent candidate, or the
361 primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written
362 designation, such a designation may be made by the state or district chairman of the political party.
363 However, no written designation made by a state or district chairman shall take precedence over a
364 written designation made by the county or city chairman. Such statement, bearing the chairman's or
365 candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy
366 had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

C. If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct or district in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, ~~or the signed statement that the voter is the named registered voter he claims to be,~~ the envelope containing his ballot shall not be opened and his vote shall not be counted. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

The provisional vote shall be counted if (i) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (ii) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to a state-designated voter registration agency or the voter's information was transmitted by the Department of Motor Vehicles to the Department of Elections pursuant to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection B of § 24.2-652.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot shall be placed in a ballot container without any inspection further than that provided for in § 24.2-646.

D. On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

E. The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

§ 24.2-701. Application for absentee ballot.

A. The Department shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The Department shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703 or 24.2-703.1, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any covered voter, as defined in § 24.2-452.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all elections.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be completed only in the office of the general registrar and signed by the applicant in the presence of a registrar. The applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643; ~~or if he is unable to present one of the specified forms of identification listed in that subsection, he shall sign a statement, subject to felony~~

penalties for making false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. An applicant who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement. Any applicant who does not show one of the forms of identification specified in subsection B of § 24.2-643 or does not sign this statement shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

This paragraph shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

2. Any other application may be made by mail, by electronic or telephonic transmission to a facsimile device if one is available to the office of the general registrar or to the office of the Department if a device is not available locally, or by other means. The application shall be on a form furnished by the registrar or as specified in subdivision 3. The application shall be made to the appropriate registrar no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers to vote.

3. The application of any covered voter, as defined in § 24.2-452, may be on a federal postcard application, as defined in § 24.2-452. The federal postcard application may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

C. Applications for absentee ballots shall contain the following information:

1. The applicant's printed name and the last four digits of the applicant's social security number. However, an applicant completing the application in person shall not be required to provide the last four digits of his social security number;

2. A statement that he is registered in the county or city in which he offers to vote and his residence address in such county or city. Any person temporarily residing outside the United States shall provide the last date of residency at his Virginia residence address, if that residence is no longer available to him. Any covered voter, as defined in § 24.2-452, who is not a registered voter may file the applications to register and for a ballot simultaneously; and

3. The complete address to which the ballot is to be sent directly to the applicant, unless the application is made in person at a time when the printed ballots for the election are available and the applicant chooses to vote in person at the time of completing his application. The address given shall be (i) the address of the applicant on file in the registration records; (ii) the address at which he will be located while absent from his county or city; or (iii) the address at which he will be located while temporarily confined due to a disability or illness. No ballot shall be sent to, or in care of, any other person.

D. An application shall not be required for any registered voter appearing in person to cast an absentee ballot pursuant to § 24.2-701.1.

§ 24.2-701.1. Absentee voting in person.

A. Absentee voting in person shall be available on the ~~forty-fifth~~ *tenth* day prior to any election and shall continue until 5:00 p.m. on the Saturday immediately preceding the election. In the case of a special election, excluding for federal offices, if time is insufficient between the issuance of the writ calling for the special election and the date of the special election, absentee voting in person shall be available as soon as possible after the issuance of the writ.

Any registered voter offering to vote absentee in person shall provide his name and his residence address in the county or city in which he is offering to vote. After verifying that the voter is a registered voter of that county or city, the general registrar shall enroll the voter's name and address on the absentee voter applicant list maintained pursuant to § 24.2-706.

Except as provided in subsection F, a A registered voter voting by absentee ballot in person shall provide one of the forms of identification specified in subsection B of § 24.2-643. If he does not show one of the forms of identification specified in subsection B of § 24.2-643, he shall be allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. A voter who requires assistance in voting by reason of a

physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement. A voter who does not show one of the forms of identification specified in this subsection or does not sign this statement shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

B. Absentee voting in person shall be available during regular business hours. The electoral board of each county and city shall provide for absentee voting in person in the office of the general registrar or a voter satellite office established pursuant to § 24.2-701.2. For purposes of this chapter, such offices shall be open to the public a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all elections. The electoral board or general registrar may provide for absentee voting in person in such offices on Sundays. Any applicant who is in line to cast his ballot when the office of the general registrar or voter satellite office closes shall be permitted to cast his absentee ballot that day.

C. The general registrar may provide for the casting of absentee ballots in person pursuant to this section on voting systems. The Department shall prescribe the procedures for use of voting systems. The procedures shall provide for absentee voting in person on voting systems that have been certified and are currently approved by the State Board. The procedures shall be applicable and uniformly applied by the Department to all localities using comparable voting systems.

D. At least two officers of election shall be present during all hours that absentee voting in person is available and shall represent the two major political parties, except in the case of a party primary, when they may represent the party conducting the primary. However, such requirement shall not apply when (i) voting systems that are being used pursuant to subsection C are located in the office of the general registrar or voter satellite office and (ii) the general registrar or an assistant registrar is present.

E. The Department shall include absentee ballots voted in person in its instructions for the preparation, maintenance, and reporting of ballots, pollbooks, records, and returns.

F. This subsection shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but who does not show one of the forms of identification specified in this subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.

A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications received. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The Department of Elections shall prescribe procedures for general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

B. The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

C. If the application has been properly completed and signed and the applicant is a registered voter

551 of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots
552 for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other
553 evidence of either first-class or expedited mailing or delivery from the United States Postal Service or
554 other commercial delivery provider, or deliver to him in person in the office of the registrar, the
555 following items and nothing else:

556 1. An envelope containing the folded ballot, sealed and marked "Ballot within. Do not open except
557 in presence of a witness."

558 2. An envelope for resealing the marked ballot, on which envelope is printed the following:

563 VIRGINIA including the house number, street name or rural route address, city, zip code); that I
564 received the enclosed ballot(s) upon application to the registrar of such county or city; that I opened the
565 envelope marked 'ballot within' and marked the ballot(s) in the presence of the witness, without
566 assistance or knowledge on the part of anyone as to the manner in which I marked it (or I am returning
567 the form required to report how I was assisted); that I then sealed the ballot(s) in this envelope; and that
568 I have not voted and will not vote in this election at any other time or place.

569 Signature of Voter _____

572 For elections held after January 1, 2004, instead of the envelope containing the above oath, an
573 envelope containing the standard oath prescribed by the presidential designee under § 101(b)(7) of the
574 Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to
575 voters who are qualified to vote absentee under that Act.

576 When this statement has been properly completed and signed by the registered voter and witnessed,
577 his ballot shall not be subject to challenge pursuant to § 24.2-651.

578 3. An envelope, properly addressed and postage prepaid, for the return of the ballot to the general

581 ballot. ~~Such instructions shall include information on the sites of all drop-off locations in the county or~~

583 For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of
584 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter
585 votes in a federal election in the state, the printed instructions shall direct the voter to submit with his
586 ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank
587 statement, government check, paycheck or other government document that shows the name and address
588 of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of
589 identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as
590 a provisional ballot under the provisions of § 24.2-653.01. The Department of Elections shall provide
591 instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to
592 § 24.2-653.01 and this section.

593 5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee
594 Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to
595 the voting rights and responsibilities for such citizens, or information provided by the registrar specific
596 to the status of the voter registration and absentee ballot application of such voter, may be included.

597 The envelopes and instructions shall be in the form prescribed by the Department of Elections.

598 D. The general registrar may contract with a third party for the printing, assembly, and mailing of
599 the items set forth in subsection C. The general registrar shall provide to the contractor in a timely
600 manner the names, addresses, precincts, and ballot styles of voters requesting an absentee ballot by mail.
601 The vendor shall provide to the general registrar a report of the voters to whom the absentee ballot
602 materials have been sent.

603 E. If the applicant completes his application in person under § 24.2-701 at a time when the printed
604 ballots for the election are available, he may request that the general registrar send to him by mail the
605 items set forth in subdivisions C 1 through 4, instead of casting the ballot in person. Such request shall
606 be made no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers
607 to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate
608 or other evidence of mailing.

609 F. If the applicant is a covered voter, as defined in § 24.2-452, the general registrar, at the time
610 when the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612
611 or deliver in person to the applicant in the office of the general registrar the items as set forth in
612 subdivisions C 1 through 4 and, if necessary, an application for registration. A certificate or other

evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic transmission, the general registrar, at the time when the printed ballots for the election are available but not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot, the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials shall be sent using the official email address or fax number of the office of the general registrar published on the Department of Elections website. The State Board of Elections may prescribe by regulation the format of the email address used for transmitting ballots to eligible voters. A general registrar may also use electronic transmission facilities provided by the Federal Voting Assistance Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

G. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur, or (iii) the campaign committee or the appropriate district political party chairman of such candidate. Any person who fails to discharge his duty as provided in this section through willful neglect of duty and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of § 24.2-1001.

§ 24.2-707. How ballots marked and returned.

A. On receipt of a mailed absentee ballot, the voter shall, in the presence of a witness, (i) open the sealed envelope marked "ballot within" and (ii) mark and refold the ballot, as provided in §§ 24.2-644 and 24.2-646 without assistance and without making known how he marked the ballot, except as provided by § 24.2-704.

After the voter has marked his absentee ballot, he shall (a) enclose the ballot in the envelope provided for that purpose, (b) seal the envelope, (c) fill in and sign the statement printed on the back of the envelope in the presence of a witness, who shall sign the same envelope, (d) enclose the ballot envelope and any required assistance form within the envelope directed to the general registrar, and (e) seal that envelope. *A voter's failure to have a witness sign the absentee ballot envelope shall be considered a material omission and shall render his ballot void. However, a voter's failure to provide in the statement on the back of the envelope his full middle name or his middle initial shall not be a material omission, rendering his ballot void, unless the voter failed to provide in the statement on the back of the envelope his full first and last name. A voter's failure to provide the date, or any part of the date, including the year, on which he signed the statement printed on the back of the envelope shall also not be considered a material omission and shall not render his ballot void. A voter's failure to have a witness sign the absentee ballot return envelope for any election held during a declared state of emergency related to a communicable disease of public health threat shall not be considered a material omission and shall not render his ballot void.*

B. A mailed absentee ballot shall be returned ~~(i) by mail to the office of the general registrar; (ii) or by the voter in person to the general registrar; or (iii) to a drop-off location established pursuant to § 24.2-707.1.~~ For purposes of this subsection, "mail" includes a delivery by a commercial delivery service but does not include delivery by a personal courier service or other individual except as provided by §§ 24.2-703.2 and 24.2-705.

C. Failure to follow the procedures set forth in this section shall render the applicant's ballot void.

§ 24.2-709. Ballot to be returned in manner prescribed by law.

A. Any ballot returned to the office of the general registrar ~~or to a drop-off location~~ in any manner except as prescribed by law shall be void. Absentee ballots shall be returned to the general registrar ~~or to a drop-off location~~ before the closing of the polls *and, if returned by mail, shall be postmarked on or before the Saturday immediately preceding the date of the election. Any voter who is in line to return an absentee ballot at a drop-off location by 7:00 p.m. on the day of the election shall be permitted to deposit his absentee ballot.* The registrar receiving the ballot shall (i) seal the ballot in an envelope with the statement or declaration of the voter, or both, attached to the outside and (ii) mark on each envelope the date, time, and manner of delivery. No returned absentee ballot shall be deemed void because (a) the inner envelope containing the voted ballot is imperfectly sealed so long as the outside envelope containing the ballot envelope is sealed or (b) it is not returned sealed in the outside envelope so long as it is returned sealed in the inner envelope.

B. Notwithstanding the provisions of subsection A, any absentee ballot (i) returned to the general registrar after the closing of the polls on election day but before noon on the third day after the election and (ii) postmarked on or before the date of the election shall be counted pursuant to the procedures set forth in this chapter if the voter is found entitled to vote. For purposes of this subsection, a postmark shall include any other official indicia of confirmation of mailing by the United States Postal Service or other postal or delivery service.

C. Notwithstanding the provisions of subsection A, any absentee ballot (i) received after the close of the polls on any election day, (ii) received before 5:00 p.m. on the second business day before the State

Board meets to ascertain the results of the election pursuant to this title, (iii) requested on or before but not sent by the deadline for making absentee ballots available under § 24.2-612, and (iv) cast by a covered voter, as defined in § 24.2-452, shall be counted pursuant to the procedures set forth in this chapter if the voter is found entitled to vote. The electoral board shall prepare an amended certified abstract, which shall include the results of such ballots, and shall deliver such abstract to the State Board by the business day prior to its meeting pursuant to this title, and shall deliver a copy of such abstract to the general registrar to be available for inspection when his office is open for business.

D. Notwithstanding the provisions of clause (i) of subsection B of § 24.2-427, an absentee ballot returned by a voter in compliance with § 24.2-707 and this section who dies prior to the counting of absentee ballots on election day shall be counted pursuant to the procedures set forth in this chapter if the voter is found to have been entitled to vote at the time that he returned the ballot.

§ 24.2-709.1. Processing returned absentee ballots before election day; cure process.

A. On receipt of an absentee ballot returned in person or by mail to the office of the general registrar or to a drop-off location before election day, the general registrar shall mark the date of receipt in the voter's record and shall examine the ballot envelope to verify completion of the required voter affirmation. A voter affirmation statement shall not be deemed to be incomplete on the sole basis of the voter's failure to provide (i) his full name or his middle initial, as long as the voter provided his full first and last name, or (ii) the date, or any part of the date, including the year, on which he signed the statement.

B. If the voter affirmation has been completed as required, the general registrar may open the sealed ballot envelope and insert the ballot in optical scan counting equipment or other secure ballot container without initiating any ballot count totals. If a general registrar does not choose to do so, the sealed ballot envelope shall be deposited into a secure container provided for such purpose, in which it shall remain until the general registrar initiates the process of opening the sealed ballot envelopes deposited into the secure container and inserting such ballots into optical scan counting equipment without initiating any ballot count totals. Such process shall be at the general registrar's discretion at any time prior to the seventh day immediately preceding the election but shall be mandatory beginning on the seventh day immediately preceding the election.

At least two officers of election, one representing each political party, shall be present during all hours when sealed ballot envelopes are opened as authorized in or required by this subsection. No person present while sealed ballot envelopes are opened and ballots are inserted into counting equipment shall disclose any information concerning the ballots.

In the event that circumstances prevent a general registrar from complying with the provisions of this subsection, such failure shall not be grounds for contesting the election pursuant to Article 2 (§ 24.2-803 et seq.) of Chapter 8 and shall not invalidate the absentee ballots.

C. For any absentee ballot received by the Friday immediately preceding the day of the election, if the general registrar finds during the examination of the ballot envelope that the required voter affirmation was not correctly or completely filled out or that a procedure required by § 24.2-707 was not properly followed, and such error or failure would render the ballot void by law, the general registrar shall enter into the voter's record in the voter registration system that the absentee ballot has an issue requiring correction in order for it to be counted. This information shall be included on any absentee voter applicant list provided pursuant to subsection C of § 24.2-710.

Within three days of such finding, the registrar shall notify the voter in writing or by email of the error or failure and shall provide information to the voter on how to correct the issue so his ballot may be counted. The voter shall be entitled to make such necessary corrections before noon on the third day after the election, and his ballot shall then be counted pursuant to the procedures set forth in this chapter if he is found to be entitled to vote. No absentee ballot needing correction shall be delivered to the officers of election at the appropriate precinct until the voter is provided the opportunity to make the necessary corrections pursuant to this subsection.

The general registrar may issue a new absentee ballot to the voter if necessary and shall preserve the first ballot with other spoiled ballots.

2. That § 24.2-707.1 of the Code of Virginia and Chapter 1153 of the Acts of Assembly of 2020 are repealed.
