A. The clerk of the circuit court and district court of every county and city shall submit to the judge of his court, the Department of Taxation, the State Compensation Board and the attorney for the Commonwealth of his county or city a monthly report of all fines, costs, forfeitures and penalties which are delinquent more than 90 days, including court-ordered restitution of a sum certain, imposed in his court for a violation of state law or a local ordinance which remain unsatisfied, including those which are delinquent in installment payments. The monthly report shall include the social security number or driver's license number of the defendant, if known, and such other information as the Department of Taxation and the Compensation Board deem appropriate. The Executive Secretary shall make the report required by this subsection on behalf of those clerks who participate in the Supreme Court's automated information system.

B. The clerk of the circuit court and district court of every county and city shall submit quarterly to the attorney for the Commonwealth of his county or city and any probation agency that serves such county or city:

1. A list of all defendants with an outstanding balance of restitution ordered by the court served by such clerk. Such report shall include the defendant's name, case number, total amount of restitution ordered, amount of restitution remaining due, and last date of payment; and

2. A list of all accounts where more than 90 days have passed since an account was sent to collections and no payments have been made toward fines, costs, forfeitures, penalties, or restitution. For accounts where restitution is owed, such report shall include the defendant's name, case number, and total amount of restitution and restitution interest due.

C. It shall be the duty of the attorney for the Commonwealth to cause proper proceedings to be instituted for the collection and satisfaction of all fines, costs, forfeitures, penalties and restitution. The attorney for the Commonwealth shall determine whether it would be impractical or uneconomical for such service to be rendered by the office of the attorney for the Commonwealth. If the defendant does not enter into an installment payment agreement under § 19.2-354, the attorney for the Commonwealth and the clerk may agree to a process by which collection activity may be commenced 90 days after judgment.

If the attorney for the Commonwealth does not undertake collection, he shall contract with (i) private attorneys or private collection agencies, (ii) enter into an agreement with a local governing body, (iii) enter into an agreement with the county or city treasurer, or (iv) use the services of the Department of Taxation, upon such terms and conditions as may be established by guidelines promulgated by the Office of the Attorney General, the Executive Secretary of the Supreme Court with the Department of Taxation and the Compensation Board. If the attorney for the Commonwealth undertakes collection, he shall follow the procedures established by the Department of Taxation and the Compensation Board. Such guidelines shall not supersede contracts between attorneys for the Commonwealth and private attorneys and collection agencies when active collection efforts are being undertaken. As part of such contract, private attorneys or collection agencies shall be given access to the social security number of the defendant in order to assist in the collection effort. Any such private attorney shall be subject to the penalties and provisions of § 18.2-186.3.

The fees of any private attorneys or collection agencies shall be paid on a contingency fee basis out of the proceeds of the amounts collected. However, in no event shall such attorney or collection agency receive a fee for amounts collected by the Department of Taxation under the Setoff Debt Collection Act (§ 58.1-520 et seq.). A local treasurer undertaking collection pursuant to an agreement with the attorney for the Commonwealth may collect the administrative fee authorized by § 58.1-3958.
