Be it enacted by the General Assembly of Virginia:

1. That §§ 23.1-701, 23.1-702, 23.1-704, 23.1-706, 58.1-322.03, 58.1-344.3, and 58.1-402 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Title 23.1 a chapter numbered 7.1, consisting of sections numbered 23.1-714 through 23.1-717, as follows:

§ 23.1-701. Plan established; moneys; governing board.

A. To enhance the accessibility and affordability of higher education for all citizens of the Commonwealth, and assist families and individuals to save for qualified disability expenses, the Virginia College Savings Plan is established as a body politic and corporate and an independent agency of the Commonwealth.

B. Moneys of the Plan that are contributions to savings trust accounts made pursuant to this chapter, except as otherwise authorized or provided in this chapter, shall be deposited as soon as practicable in a separate account or separate accounts in banks or trust companies organized under the laws of the Commonwealth, national banking associations, federal home loan banks, or, to the extent permitted by law, savings institutions organized under the laws of the Commonwealth or the United States. The savings program moneys in such accounts shall be paid out on checks, drafts payable on demand, electronic wire transfers, or other means authorized by officers or employees of the Plan.

C. *1.* All other moneys of the Plan, including payments received pursuant to prepaid tuition contracts, bequests, endowments, grants from the United States government or its agencies or instrumentalities, and any other available public or private sources of funds shall be first deposited in the state treasury in a special nonreverting fund (the Fund). Such moneys shall then be deposited as soon as practicable in a separate account or separate accounts in banks or trust companies organized under the laws of the Commonwealth, national banking associations, federal home loan banks, or, to the extent permitted by law, savings institutions organized under the laws of the Commonwealth or the United States. Benefits relating to prepaid tuition contracts and Plan operating expenses shall be paid from the Fund. ~~Any~~ *Except as provided in subdivision 2,* moneys remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest and income earned from the investment of such funds shall remain in the Fund and be credited to it.

2. Annually, and in consultation with the Investment Advisory Committee and the Audit and Actuarial Committee, the board shall determine whether a surplus exists in the Fund. The board shall not determine that a surplus exists if (i) the funded status, as defined in § 23.1-707.1, of the Plan does not meet or exceed 105 percent; (ii) doing so would violate the standard of care specified in § 23.1-706; (iii) doing so would result in there being insufficient funds to ensure the actuarial soundness of the Plan; or (iv) doing so would jeopardize the Plan's ability to meet any obligation incurred under the provisions of this chapter. If the board determines a surplus exists, it shall deposit the surplus in the Virginia College Equity Fund.

D. The Plan may maintain an independent disbursement system for the disbursement of prepaid tuition contract benefits and, in connection with such system, open and maintain a separate account or separate accounts in banks or trust companies organized under the laws of the Commonwealth, national banking associations, federal home loan banks, or, to the extent permitted by law, savings institutions organized under the laws of the Commonwealth or the United States. Such independent disbursement system and any related procedures shall be subject to review and approval by the State Comptroller. Nothing in this subsection shall be construed to relieve the Plan of its duty to provide prepaid tuition contract benefit transactions to the Commonwealth's system of general accounting maintained by the State Comptroller pursuant to § 2.2-802.

E. The Plan shall be administered by an 11-member board that consists of (i) the director of the Council or his designee, the Chancellor of the Virginia Community College System or his designee, the

State Treasurer or his designee, and the State Comptroller or his designee, all of whom shall serve ex officio with voting privileges, and (ii) seven nonlegislative citizen members, four of whom shall be appointed by the Governor, one of whom shall be appointed by the Senate Committee on Rules, two of whom shall be appointed by the Speaker of the House of Delegates, and all of whom shall have significant experience in finance, accounting, law, investment management, higher education, or disability advocacy. In addition, at least one of the nonlegislative citizen members shall have expertise in the management and administration of private defined contribution retirement plans.

F. Members appointed to the board shall serve terms of four years. Vacancies occurring other than by expiration of a term shall be filled for the unexpired term. No member appointed to the board shall serve more than two consecutive four-year terms; however, a member appointed to serve an unexpired term is eligible to serve two consecutive four-year terms immediately succeeding such unexpired term.

G. Ex officio members of the board shall serve terms coincident with their terms of office.

H. Members of the board shall receive no compensation but shall be reimbursed for actual expenses incurred in the performance of their duties.

I. The board shall elect from its membership a chairman and a vice-chairman annually.

J. A majority of the members of the board shall constitute a quorum.

§ 23.1-702. Advisory committees to the board; membership; terms; qualifications; duties.

A. To assist the board in fulfilling its fiduciary duty as trustee of the funds of the Plan and to assist the chief executive officer in directing, managing, and administering the Plan's assets, the board shall appoint an Investment Advisory Committee to provide sophisticated, objective, and prudent investment advice and direction.

1. Members of the Investment Advisory Committee shall demonstrate extensive experience in any one or more of the following areas: domestic or international equity or fixed-income securities, cash management, alternative investments, institutional real estate investments, or managed futures.

B. To assist the board in fulfilling its responsibilities relating to the integrity of the Plan's financial statements, financial reporting process, and systems of internal accounting and financial controls, the board shall appoint an Audit and Actuarial Committee.

1. Members of the Audit and Actuarial Committee shall demonstrate an understanding of generally accepted accounting principles, generally accepted auditing standards, enterprise risk management principles, and financial statements, and evidence an ability to assess the general application of such principles to the Plan's activities. The members should have experience in preparing, auditing, analyzing, or evaluating financial statements of the same complexity as those of the Plan, and an understanding of internal controls and procedures for financial reporting.

2. In order to establish and maintain its effectiveness and independence, the following individuals shall not be members of the Audit and Actuarial Committee: (i) current Plan employees; (ii) individuals who have been employees of the Plan in any of the prior three fiscal years; and (iii) immediate family members of an individual currently employed as an officer of the Plan or who has been employed in such a capacity within the past three fiscal years.

3. C. The board may appoint such other advisory committees as it deems necessary and shall set the qualifications for members of any such advisory committee by resolution.

D. Advisory committee members shall serve at the pleasure of the board and may be removed by a majority vote of the board.

E. Members of advisory committees shall receive no compensation but shall be reimbursed for actual expenses incurred in the performance of their duties.

F. The disclosure requirements of subsection B of § 2.2-3114 shall apply to each member of any advisory committee established pursuant to this section who is not also a board member.

G. The recommendations of an advisory committee are not binding upon the board or the designee appointed by the board to make investment decisions pursuant to subsections A and B of § 23.1-706.

H. The Investment Advisory Committee and the Audit and Actuarial Committee shall each make a *separate, annual recommendation to the board of whether a surplus exists according to the criteria specified in subdivision C 2 of § 23.1-701. The committees' recommendations shall not be binding on the board.*

§ 23.1-704. Powers and duties of the board.

The board shall:

1. Administer the Plan established by this chapter;

2. Develop and implement programs for (i) the prepayment of undergraduate tuition, as defined in § 23.1-700, at a fixed, guaranteed level for application at a public institution of higher education; (ii) contributions to college savings trust accounts established pursuant to this chapter on behalf of a qualified beneficiary in order to apply distributions from the account toward qualified higher education expenses, as that term is defined in § 529 of the Internal Revenue Code of 1986, as amended, or other applicable federal law; and (iii) contributions to ABLE savings trust accounts established pursuant to this chapter on behalf of a qualified beneficiary in order to apply distributions from the account toward qualified disability expenses for an eligible individual, as both such terms are defined in § 529A of the Internal Revenue Code of 1986, as amended, or other applicable federal law;

The Governor shall appoint the members, subject to confirmation by the General Assembly. If a vacancy occurs other than by expiration of a term, the Governor shall appoint a member who shall serve on a temporary basis until the next legislative session and shall then be subject to confirmation by the General Assembly.

C. No member appointed to the board shall serve more than two consecutive four-year terms; however, a member appointed to serve an unexpired term is eligible to serve two consecutive four-year terms immediately succeeding such unexpired term.

D. The board shall elect from its membership a chair and a vice-chair annually.

E. A majority of the members of the board shall constitute a quorum.

F. Members of the board shall receive no compensation but shall be reimbursed for actual expenses incurred in the performance of their duties.

§ 23.1-716. Powers and duties; scholarship program.

A. The Foundation shall establish a program to provide scholarships to students at nonlegacy universities. The Foundation shall, in consultation with the governing board of the Plan, determine the parameters of the scholarship program, including student eligibility, scholarship amounts, and any other factors necessary to implement the scholarship program. Scholarships awarded by the Foundation shall pay for all costs of tuition, fees, and room and board, on terms and conditions determined by the Foundation.

B. The program shall provide scholarships only to a student who:

1. Attends, or plans to attend, a nonlegacy university;

2. Establishes that, based on admission criteria in effect prior to 1900, he likely would have been denied admission to a Virginia public institution of higher education;

3. Meets the income eligibility requirements for a Pell Grant, as determined by the U.S. Secretary of Education pursuant to the provisions of 20 U.S.C. § 1070a; and

For purposes of this subdivision, a student shall be considered employed in Virginia only if such person is employed in a full-time position and his compensation from such position is subject to taxation pursuant to Chapter 3 (§ 58.1-300) of Title 58.1. Upon petition by the student, the Foundation may temporarily waive the requirements of this subdivision if the student demonstrates he is seeking employment in a certain industry or profession but has been unable to secure such employment.

C. If a student breaches his commitment made under subdivision B 4, the Foundation shall require him to reimburse the Fund for all scholarship funds received pursuant to this section.

D. The program shall be funded only by income from investment of the surplus. The Virginia College Savings Plan shall manage the assets of the Fund in accordance with the provisions of Chapter 7 (§ 23.1-700 et seq.), mutatis mutandis; however, the board shall have sole authority over the administration of the program and the disbursement of income in the form of scholarships.

E. The Foundation shall consult with each nonlegacy university to determine its needs arising from its smaller endowment compared with other institutions of higher education that are not nonlegacy universities. The Foundation shall coordinate the scholarship program to meet such needs.

F. The Virginia College Savings Plan shall provide staff support to the Foundation in its administration of this chapter.

G. The Foundation shall report annually to the General Assembly on its administration of this chapter.

§ 23.1-717. Virginia College Equity Fund established.

There is hereby created in the state treasury a special nonreverting fund to be known as the Virginia College Equity Fund. The Fund shall be established on the books of the Comptroller. Any surplus deposited to the Fund, all funds appropriated to the Fund, and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of providing scholarships pursuant to the provisions of this chapter. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the chair of the board.

§ 58.1-322.03. Virginia taxable income; deductions.

In computing Virginia taxable income pursuant to § 58.1-322, there shall be deducted from Virginia adjusted gross income as defined in § 58.1-321:

1. a. The amount allowable for itemized deductions for federal income tax purposes where the taxpayer has elected for the taxable year to itemize deductions on his federal return, but reduced by the amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted on such federal return and increased by an amount that, when added to the amount deducted under § 170 of the Internal Revenue Code for mileage, results in a mileage deduction at the state level for such purposes at a rate of 18 cents per mile; or

b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, $3,000 for single individuals and $6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026, $4,500 for single individuals and $9,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return). For purposes of this section, any person who may be claimed as a dependent on another taxpayer's return for the taxable year may compute the deduction only with respect to earned income.

2. a. A deduction in the amount of $930 for each personal exemption allowable to the taxpayer for federal income tax purposes.

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of $800.

The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

3. A deduction equal to the amount of employment-related expenses upon which the federal credit is based under § 21 of the Internal Revenue Code for expenses for household and dependent care services necessary for gainful employment.

4. An additional $1,000 deduction for each child residing for the entire taxable year in a home under permanent foster care placement as defined in § 63.2-908, provided that the taxpayer can also claim the child as a personal exemption under § 151 of the Internal Revenue Code.

5. a. A deduction in the amount of $12,000 for individuals born on or before January 1, 1939.

b. A deduction in the amount of $12,000 for individuals born after January 1, 1939, who have attained the age of 65. This deduction shall be reduced by $1 for every $1 that the taxpayer's adjusted federal adjusted gross income exceeds $50,000 for single taxpayers or $75,000 for married taxpayers. For married taxpayers filing separately, the deduction shall be reduced by $1 for every $1 that the total combined adjusted federal adjusted gross income of both spouses exceeds $75,000.

For the purposes of this subdivision, "adjusted federal adjusted gross income" means federal adjusted gross income minus any benefits received under Title II of the Social Security Act and other benefits subject to federal income taxation solely pursuant to § 86 of the Internal Revenue Code, as amended.

6. The amount an individual pays as a fee for an initial screening to become a possible bone marrow donor, if (i) the individual is not reimbursed for such fee or (ii) the individual has not claimed a deduction for the payment of such fee on his federal income tax return.

7. a. A deduction shall be allowed to the purchaser or contributor for the amount paid or contributed during the taxable year for a prepaid tuition contract or college savings trust account entered into with the Virginia College Savings Plan, pursuant to Chapter 7 (§ 23.1-700 et seq.) of Title 23.1. Except as provided in subdivision b, the amount deducted on any individual income tax return in any taxable year shall be limited to $4,000 per prepaid tuition contract or college savings trust account. No deduction shall be allowed pursuant to this subdivision 7 if such payments or contributions are deducted on the purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a college savings trust account exceeds $4,000, the remainder may be carried forward and subtracted in future taxable years until the purchase price or college savings trust contribution has been fully deducted; however, except as provided in subdivision b, in no event shall the amount deducted in any taxable year exceed $4,000 per contract or college savings trust account. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. For the purposes of this subdivision, "purchaser" or "contributor" means the person shown as such on the records of the Virginia College Savings Plan as of December 31 of the taxable year. In the case of a transfer of ownership of a prepaid tuition contract or college savings trust account, the transferee shall succeed to the transferor's tax attributes associated with a prepaid tuition contract or college savings trust account, including, but not limited to, carryover and recapture of deductions.

b. A purchaser of a prepaid tuition contract or contributor to a college savings trust account who has attained age 70 shall not be subject to the limitation that the amount of the deduction not exceed $4,000 per prepaid tuition contract or college savings trust account in any taxable year. Such taxpayer shall be allowed a deduction for the full amount paid for the contract or contributed to a college savings trust account, less any amounts previously deducted.

8. The total amount an individual actually contributed in funds to the Virginia Public School Construction Grants Program and Fund, established in Chapter 11.1 (§ 22.1-175.1 et seq.) of Title 22.1, provided that the individual has not claimed a deduction for such amount on his federal income tax return.

9. An amount equal to 20 percent of the tuition costs incurred by an individual employed as a primary or secondary school teacher licensed pursuant to Chapter 15 (§ 22.1-289.1 et seq.) of Title 22.1 to attend continuing teacher education courses that are required as a condition of employment; however,

the deduction provided by this subdivision shall be available only if (i) the individual is not reimbursed for such tuition costs and (ii) the individual has not claimed a deduction for the payment of such tuition costs on his federal income tax return.

10. The amount an individual pays annually in premiums for long-term health care insurance, provided that the individual has not claimed a deduction for federal income tax purposes, or, for taxable years beginning before January 1, 2014, a credit under § 58.1-339.11. For taxable years beginning on and after January 1, 2014, no such deduction for long-term health care insurance premiums paid by the individual during the taxable year shall be allowed if the individual has claimed a federal income tax deduction for such taxable year for long-term health care insurance premiums paid by him.

11. Contract payments to a producer of quota tobacco or a tobacco quota holder, or their spouses, as provided under the American Jobs Creation Act of 2004 (P.L. 108-357), but only to the extent that such payments have not been subtracted pursuant to subsection D of § 58.1-402, as follows:

a. If the payment is received in installment payments, then the recognized gain may be subtracted in the taxable year immediately following the year in which the installment payment is received.

b. If the payment is received in a single payment, then 10 percent of the recognized gain may be subtracted in the taxable year immediately following the year in which the single payment is received. The taxpayer may then deduct an equal amount in each of the nine succeeding taxable years.

12. An amount equal to 20 percent of the sum paid by an individual pursuant to Chapter 6 (§ 58.1-600 et seq.), not to exceed $500 in each taxable year, in purchasing for his own use the following items of tangible personal property: (i) any clothes washers, room air conditioners, dishwashers, and standard size refrigerators that meet or exceed the applicable energy star efficiency requirements developed by the U.S. Environmental Protection Agency and the U.S. Department of Energy; (ii) any fuel cell that (a) generates electricity using an electrochemical process, (b) has an electricity-only generation efficiency greater than 35 percent, and (c) has a generating capacity of at least two kilowatts; (iii) any gas heat pump that has a coefficient of performance of at least 1.25 for heating and at least 0.70 for cooling; (iv) any electric heat pump hot water heater that yields an energy factor of at least 1.7; (v) any electric heat pump that has a heating system performance factor of at least 8.0 and a cooling seasonal energy efficiency ratio of at least 13.0; (vi) any central air conditioner that has a cooling seasonal energy efficiency ratio of at least 13.5; (vii) any advanced gas or oil water heater that has an energy factor of at least 0.65; (viii) any advanced oil-fired boiler with a minimum annual fuel-utilization rating of 85; (ix) any advanced oil-fired furnace with a minimum annual fuel-utilization rating of 85; and (x) programmable thermostats.

13. The lesser of $5,000 or the amount actually paid by a living donor of an organ or other living tissue for unreimbursed out-of-pocket expenses directly related to the donation that arose within 12 months of such donation, provided that the donor has not taken a medical deduction in accordance with the provisions of § 213 of the Internal Revenue Code for such expenses. The deduction may be taken in the taxable year in which the donation is made or the taxable year in which the 12-month period expires.

14. For taxable years beginning on and after January 1, 2013, the amount an individual age 66 or older with earned income of at least $20,000 for the year and federal adjusted gross income not in excess of $30,000 for the year pays annually in premiums for (i) a prepaid funeral insurance policy covering the individual or (ii) medical or dental insurance for any person for whom individual tax filers may claim a deduction for such premiums under federal income tax laws. As used in this subdivision, "earned income" means the same as that term is defined in § 32(c) of the Internal Revenue Code. The deduction shall not be allowed for any portion of such premiums paid for which the individual has (a) been reimbursed, (b) claimed a deduction for federal income tax purposes, (c) claimed a deduction or subtraction under another provision of this section, or (d) claimed a federal income tax credit or any income tax credit pursuant to this chapter.

15. For taxable years beginning on and after January 1, 2018, 20 percent of business interest disallowed as a deduction pursuant to § 163(j) of the Internal Revenue Code. For purposes of this subdivision, "business interest" means the same as that term is defined under § 163(j) of the Internal Revenue Code.

16. For taxable years beginning on and after January 1, 2019, the actual amount of real and personal property taxes imposed by the Commonwealth or any other taxing jurisdiction not otherwise deducted solely on account of the dollar limitation imposed on individual deductions by § 164(b)(6)(B) of the Internal Revenue Code.

17. If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition.
