"Home health worker" means an individual who provides personal care, respite, or companion services to an individual who receives consumer-directed services *or agency-directed services* under the state plan for medical assistance services.

"Paid sick leave" means leave that is compensated at the same hourly rate and with the same benefits, including health care benefits, as an employee normally earns during hours worked and is provided by an employer to an employee for the purposes described in § 40.1-33.5; however, such hourly rate shall not be less than the minimum wage amount set forth in § 40.1-28.10 without reduction for any tip credit that the employer would otherwise be permitted to claim.

[2. That the provisions of this act shall not become effective unless an appropriation effectuating the purposes of this act is included in a general appropriation act passed in 2022 by the General Assembly that becomes law.]
