

2022 SESSION

INTRODUCED

22103711D

SENATE BILL NO. 704

Offered January 21, 2022

A *BILL to amend and reenact § 22.1-23 of the Code of Virginia, relating to Superintendent of Public Instruction; school health services information; survey.*

Patron—Kiggans

Referred to Committee on Rules

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-23 of the Code of Virginia is amended and reenacted as follows:

§ 22.1-23. Duties in general.

The Superintendent of Public Instruction shall:

1. Serve as secretary of the Board of Education;
2. Provide such assistance in his office as shall be necessary for the proper and uniform enforcement of the provisions of the school laws in cooperation with the local school authorities;
3. Prepare and furnish such forms for attendance officers, teachers and other school officials as are required by law;
4. (Expires July 1, 2025) At least annually, survey all local school divisions to identify critical shortages of (i) teachers and administrative personnel by geographic area, by school division, or by subject matter and (ii) school bus drivers by geographic area and local school division and report such critical shortages to each local school division and to the Virginia Retirement System;
5. Develop and provide to local school divisions a model exit questionnaire for teachers;
6. Along with the State Health Commissioner, work to combat childhood obesity and other chronic health conditions that affect school-age children;
7. Designate an employee of the Department of Education to serve as its liaison to the State Council of Higher Education for Virginia and the State Board for Community Colleges; ~~and~~
8. Perform such other duties as the Board of Education may prescribe; *and*
9. *At least annually, survey all local school divisions and use such data to strengthen the comprehensive availability of school health services information. Information to be collected in the survey shall include: (i) staffing levels of school health personnel, (ii) the prevalence of students with chronic health conditions, (iii) the percentage of students with health services written in their records, (iv) the number of visits to the school health office and dispositions, (v) health services provided by each school, and (vi) any other information deemed appropriate. Each local school division shall be required to complete each survey.*
